Bid Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to your Bid Package:

Delete in its entirety the "Schedule of Items" dated 040416; four pages total and replace with the attached "Schedule of Items" dated 040514; four pages total.

Add the following in pen and ink to the "Construction Notes":

All Purpose Excavator and Truck, Large will be used to perform miscellaneous ditching and inslope excavation in areas where the existing gravel shoulders are much wider than the intended 4 foot paved shoulders. All Purpose Excavator and Truck Large will not be paid for removing and disposing of excess material created from shoulder rehabilitation work. All work associated with disposing of any material created through rental items, including but not limited to finding waste areas, grading and seeding waste areas will be considered incidental to the contract.

Consider these changes prior to submitting your bid on May 19, 2004.

Sincerely,

Diane Barnes
